IMPORTANT COVID-19 ROCK 'N RACE ANNOUNCEMENT

Rock 'N Race will be postponed to a later date in 2020.

The Rock 'N Race Committee has made the difficult decision to postpone the event to a later date in 2020. We are adhering to state and federal health guidelines regarding COVID-19 and will work with our partners to put on the event when we can all safely attend.

The Rock 'N Race is critically important to the programs and services offered by Payson Center for Cancer Care and HOPE Resource Center. We consider this a HIATUS, and are determined to have our event go on -- all to support our friends, family and neighbors living with cancer.

We are accepting registrations and encouraging teams to build and fundraise.
