

March 30, 2026

Dear Friend,

Thank you for all you do for Concord Hospital Health System! Your commitment is shared by many including our dedicated Trust Ambassador who has generously donated her time to collaborate with our peer-to-peer employee giving campaign --

I have experienced firsthand how fundraising through the Rock'N Race directly impacts patient care. The generosity of this community is not just something I hear about—it's something I felt in the compassion, excellence, and support that surrounded me. It made an already difficult journey feel a little less overwhelming and a lot more hopeful.

I am truly grateful to be a CHampion and proud to be part of something that brings such comfort, strength, and healing to others, and it allows me to honor the care team, the donors, and the entire community!

-Jenny Boulanger, BSN, RN – ICU/Float Pool Nurse Manager, CH-Laconia

As a community health system and charitable organization, Concord Hospital Health System exists to meet the health needs of individuals within the communities that we serve. This mission isn't merely words on paper; it drives all that we do as a comprehensive and coordinated team, spanning multiple regions and areas of expertise to deliver exceptional care to all.

To ensure that every individual who seeks care can receive the tailored care they need, philanthropy through fundraising at Concord Hospital Trust is vital! It allows us to bridge funding gaps and care for patients regardless of their ability to pay, invest in life-saving technology, advance education and research, and respond to the evolving needs of community members in central New Hampshire.

We truly believe that we are all CHampions of our mission and the work we do! Our collective support through the CHampions campaign and the Employee Helping Hands Fund make a difference for so many among us. Enclosed please find the 2025 CHampions impact statement which shows our collective support for our team members and the broader community.

Will you consider making a gift to help us provide even more support to staff through the Employee Helping Hands Fund or enhance patient care in the area that is most meaningful to you?

Your dedication in all that you do, and your commitment to excellence every single day is impressive.

With Sincere Gratitude,

Deanne Pelletier
Director of Philanthropy

Veronica Rosa, EdD
Chief Advancement Officer

P.S. You are a CHampion when you:

- ✓ Make an outright gift in support of the area most important to you;
- ✓ Start or join a team for Rock'N Race, Pedaling for Payson, or Bridge to Recovery Walk;
- ✓ Purchase raffle tickets throughout the year;
- ✓ Volunteer at an event or conduct your own special event.
