Sponsorship Benefits

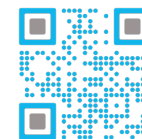

Proceeds from Pedaling for Payson will **support nurse navigation at the Payson Center for Cancer Care**. Nurse navigators help patients and their families navigate their way from diagnosis through treatment and help patients live an anti-cancer lifestyle after their treatment. They are a single and consistent point of contact—meeting their patients before appointments, attending visits, and acting as a second set of “eyes and ears”. **Our navigators are a critical resource, reachable every step of the way; for family, friends and neighbors closest to us battling cancer!**
